Techno Dabke Dance Performance

PROJECT

INFO

# Dabke XTC

## Project Overview

Dabke XTC is a high-energy performance project that fuses traditional Dabke music with electronic techno sounds, combined with a contemporary dance performance by professional dancers from Alter A Go Group.

Through the evolution and dramaturgy of the show, the audience gradually becomes part of the dancing experience, transforming the performance into a collective, immersive celebration.

The project is movement-based and accessible — language is not a barrier.

## Format Duration

- Format: Live music contemporary dance performance with audience
- Duration: 60 – 90 minutes
- Setup: Indoor or outdoor
- Language: No language barrier (music movement-based)

## Audience Context

General public · Multicultural audiences · Youth adults Festivals · Cultural venues · Music venues · Public events  
Suitable for all ages and backgrounds — no dance or language experience required.
